The New Early Years Centre in Dubai

What Are We?

- We are an extension to our Raffles Nurseries, offering a transition from nursery to school
- We are an environment that can offer your child the skills they need to succeed in school life
- We are a school that can offer a more personal approach in our unique, boutique peaceful environment
- We are a school adjacent to our Raffles Nursery in Springs 7, conveniently located on the ground floor of the new Springs Souk

Children learn through the approach of the Montessori method

Montessori is a method of education that is based on self-directed activity, hands-on learning and collaborative play. In Montessori classrooms, children make creative choices in their learning, while the classroom and the teacher offer age-appropriate activities to guide the process. Children work in groups and individually to discover and explore knowledge of the world and to develop their maximum potential.
